### CONTRACTUAL PROVISIONS

6.1. If either Party determines that Contracting is necessary to fulfill its obligations under the scope of work of a PA, that Party shall contract in accordance with its respective national laws, regulations and procedures.

6.2. When one Party individually contracts to carry out a task under a PA, it shall be solely responsible for its own contracting, and the other Party shall not be subject to any liability arising from such Contracts without its written consent.

6.3. The Parties may also determine that one Party's Contracting Agency should enter into a Contract to fulfill their joint PA obligations or the PA obligations of the non-contracting Party. That Contracting Agency shall contract for both Parties in accordance with its national laws, regulations, and procedures. If necessary to meet the requirements of a PA, the U.S. DoD's Contracting Officer or the MINDEF Contracting Agency shall seek deviations from national regulations and procedures wherever possible. Sources from both Parties' industries shall be allowed to compete on an equal basis for such Contracts. The U.S. DoD Contracting Officer or the MINDEF Contracting Agency shall be the exclusive source for providing contractual direction and instructions to Contractors for Contracts awarded by that Party.

6.4. For all Contracting activities performed by either Party, the POs shall, upon request, be provided a copy of all statements of work prior to the development of solicitations to ensure that they are consistent with the provisions of this Agreement and the applicable PA.

6.5. For all Contracting activities performed by either Party, each Party's Contracting Agency shall negotiate to obtain the rights to use and disclose Project Information required by Article VIII (Disclosure and Use of Project Information). Each Party's Contracting Agency shall insert into its prospective Contracts (and require its Contractors to insert in subcontracts) suitable provisions to satisfy the requirements of this Agreement, including Article VIII (Disclosure and Use of Project Information), Article IX (Controlled Unclassified Information), Article XI (Security), and Article XII (Third Party Sales and Transfers). During the Contracting process, each Party's Contracting Officer shall advise prospective Contractors of their obligation to notify the Contracting Agency immediately if they are subject to any license or agreement that will restrict that Party's freedom to disclose Project Information or permit its use. The Contracting Officer shall also advise prospective Contractors to employ their best efforts not to enter into any new agreement or arrangement that will result in such restrictions.

6.6. In the event a Party's Contracting Agency is unable to secure adequate rights to use and disclose Project Information as required by Article VIII (Disclosure and Use of Project Information), or is notified by Contractors or prospective Contractors of any restrictions on the disclosure and use of Project Information, that Party's PO shall notify the other Party's PO of the restriction(s).

6.7. Each Party's PO shall promptly advise the other Party's PO of any cost growth, schedule delay, or performance problems of any Contractor for which its Contracting Agency is responsible.

6.8. No requirement shall be imposed by either Party for worksharing or other industrial or commercial compensation in connection with this Agreement that is not in accordance with this Agreement or its PAs.
